

March Break Clay Workshop
At The Shed - Banquet Hall
Fairy/Hobbit House Treasure Box

Presented by: Burnt Offerings Studio

Monday, March 16, 10:00am til 12:00pm or 1:00pm til 3:00pm

Using kiln fired clay, you will have the opportunity to let your imagination run wild! You will receive a soft clay house form with removable roof lid which you can then decorate any way you like. You will then paint your new creation using food safe, lead free underglazes in many fun, bright colours. Your new treasure box will be kiln fired rendering it shiny and water tight and fully usable. Your new Treasure Box will be ready to pick up at The Shed in approximately 2 weeks from workshop date.
