

Clay Workshop
At The Shed - Upstairs in the Wellness Centre
Charcuterie Board

Presented by: Burnt Offerings Studio

Wednesday, April 29, 6:00-9:00pm

\$45.00 Each

Using kiln fired clay, you will have the opportunity to let your imagination run wild! You will receive a soft clay slab which you will manipulate to accommodate your favourite dips, cheeses, meats etc. You will then add details as well as paint your new Charcuterie Board using food safe, lead free underglazes in many fun, bright colours. Your new Charcuterie Board will be kiln fired rendering it shiny and water tight and fully usable. It will be ready to pick up at The Shed in approximately 2 weeks from workshop date.
